Learn More about Your Food Processing Oven

The responsibility for producing consistent product and reducing unnecessary down time is a constant goal for your operation. This course will provide your employees with a better understanding of the important functions of your oven.

What Does This Course Consist of?

- Principle of Design
- Instrumentation and Calibration
- Dry Bulb & Wet Bulb System Theory and Adjustment
- Air Balancing (Supply and Return)
- Sanitation
- Smoking of Meat Products
- Trouble Shooting

Who Should Attend?

This course will benefit anyone who is responsible for maintaining or operating the food processing ovens in your organization.

Where Will the Seminar Be Held?

ALKAR's Training Seminars are held at our ALKAR Field Operations Facility,
106 Industrial Park Rd, Lodi, WI 53555 – see map on last page

What Does the Seminar Cost?

The cost for individual registration for this Maintenance & Operator Training Seminar is **\$600.00** US dollars.

Registrations should **be at least two weeks** prior to the class date. You will receive a full refund if you give **minimum of one week's** notice prior to class date. The class is billable to company with a purchase order or we accept MasterCard/Visa.

Your registration fee covers the cost of the two-day seminar, breakfast and lunch on Wednesday and Thursday, dinner on Wednesday evening, and a reference manual and CD that covers all topics in the course.

Upcoming Seminar Schedule

We will hold the Seminar Wednesday and Thursday from 8:00 AM – 4:00 PM on each of the following scheduled dates in 2012:

January 11-12, April 11-12, July 11-12, and October 10-11

How Do I Register

To register, please complete the registration form for each attendee. You may fax your registration to (608) 592-6174 or e-mail to webservice@alkar.com /or mail your completed registration form to:

ALKAR-RapidPak-MP Equipment, Inc.
Attn: Service Manager
